When riding the range in any new land,
Whether near the home or afar;
A diploma held firmly in the hand
On elusive dreams can burn your brand
Or lasso a beckoning star.

TO THE JUNIORS:

Hats off to the JUNIORS, that one perfect class
That the crowd stops and looks at whenever they pass!
If it's style one is seeking, one knows where to stop,
For the Juniors are stylish! They stand at the top.
In pep and good nature, in knowledge and vim
The Star of the Juniors will never grow dim.
Now it it's ATHLETICS, one don't have to guess—
The Juniors outdistance the whole bloomin' mess.
They lead—the rest follow—they can't keep the pace!
It's always a JUNIOR who wins in the race.
In manners, in training, in loyalty, too,
The Juniors are cited as examples to you.
So here's to the JUNIORS—and long may they be
The "cream in your coffee", the "nip in your tea".
United, undaunted, devoted, and true,
Free-hearted, determined—here's ORCHIDS to you!

Time was when we were green as "fish"
And bit at every senior's wish;
When high school clubs seemed closed
And we felt small with glue, and indigo blue.
This spring we look with eyes of green
Upon the senior Kid Day scene;
We wonder what a "Prom" is like
And how those "oldsters" face a mike.
Now just you wait till we grow up!
We may not win a trophy cup;
But we intend to take the A's;
To make a touchdown seven ways;
To run nine-tenths of all the clubs
And be the king and queen of "snubs";
To write, orate, and dance to fame
When we have earned our "Junior" name.

Scribblers

The Scribblers Club, an organization formed by students interested in journalism, meets twice monthly to study newswriting. The purposes of the club are to sponsor creative writing activities among the student body and to promote better citizenship through evaluation of news—written and spoken.

Hallowe'en is the annual initiation date for new members. The three surviving members of the last year conducted a ceremony by which fifteen students became official Scribblers.

Spring activities this year have included setting up a file of model news articles to be used in instructing beginning newswriters.

The Part-Time Training Program is a cooperative plan for training students for future employment while they are attending school. The business establishments in town are the laboratories in which the students get the job experiences while the school gives the related studies or training. Students attend school in the mornings and work on the job in the afternoons. Students earn while they learn.

1. Miss Carma Thomas, **Corral** adviser, looks up from her work just long enough to smile for the camera. **2.** Lillian Lindley, super-reporter, keeps one eye on paper, other on photographer. **3.** Eva Jo Miller and Gloria Callan are working hard on news stories, striving to beat the "deadline". **4.** Dot Young and Kathy McCarroll, reporters, are cutting out news stories, but they'd rather be reading the funnies, I betcha! **5.** Hard at work are Bruce Couch and Bob Chenoweth. **6.** Johnnye, "Johnnye's Jaunt's", McDaniel grins as she cuts out paper dolls! **7.** Editor Pat Murphy keeps running in "circles" to have everything "pat" in the **Corral** office! **8.** George Manitzas and Dorotha Elms type and write while different school's newspapers peek into the picture. **9.** Typing away is Esther Corases. **10.** Not a toothpaste grin ad, but just Bob Chenoweth feeling happy.

The Campus Corral, in wartime continues serving the school and community by emphasizing student and group activities in the war effort.

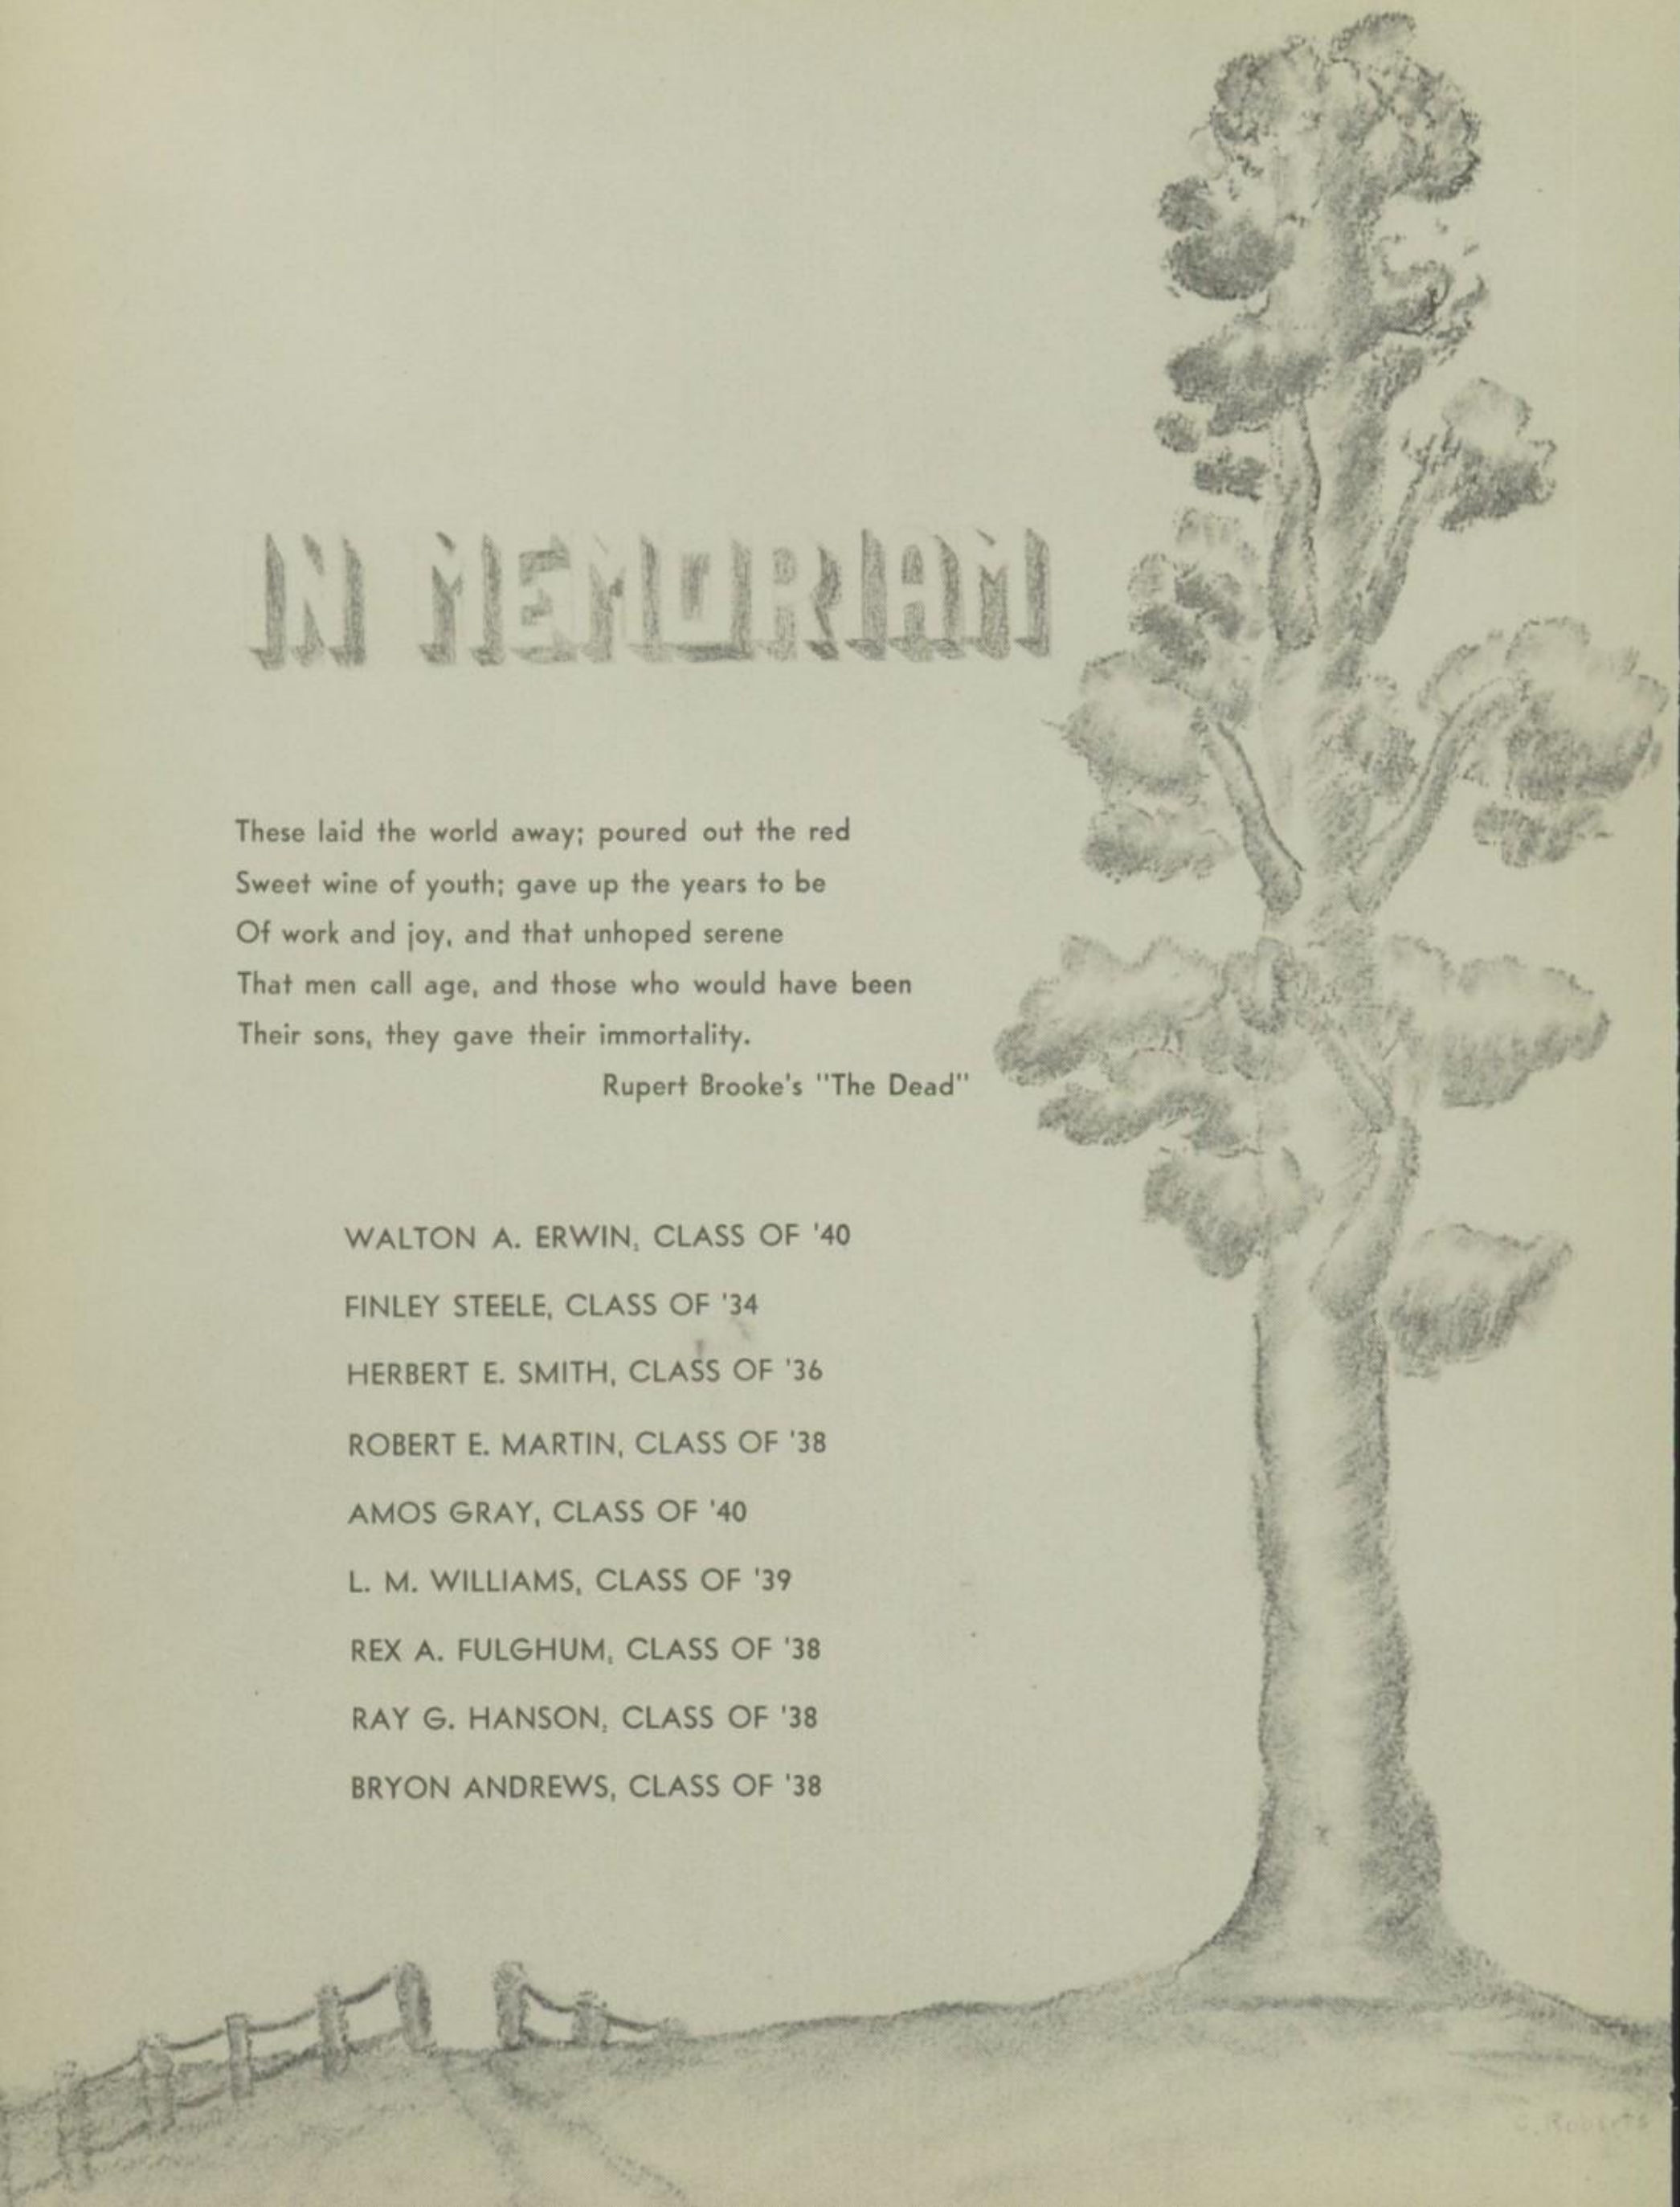
IN MEMORIAM



These laid the world away; poured out the red
Sweet wine of youth; gave up the years to be
Of work and joy, and that unhoped serene
That men call age, and those who would have been
Their sons, they gave their immortality.

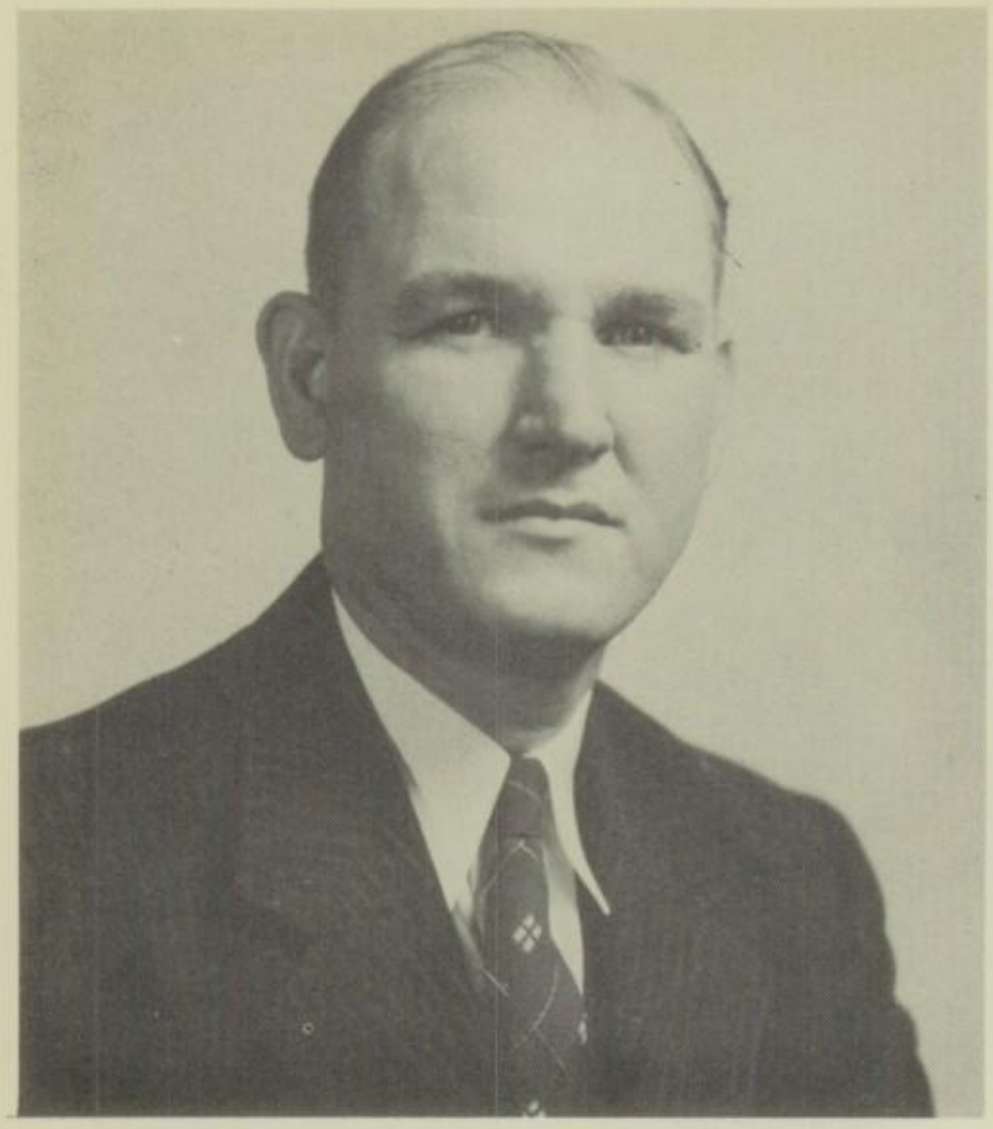
SPORTS



ROCKY RUNDELL
Head Coach

After two years in San Angelo "The Rock" brought the Bobcats from the cellar of the district to the Championship. He was a hard worker and because of this, won the respect and admiration of every boy on the team. He was a friend and pal to all "his boys." Coach Rundell is now a P. E. instructor in the Navy.

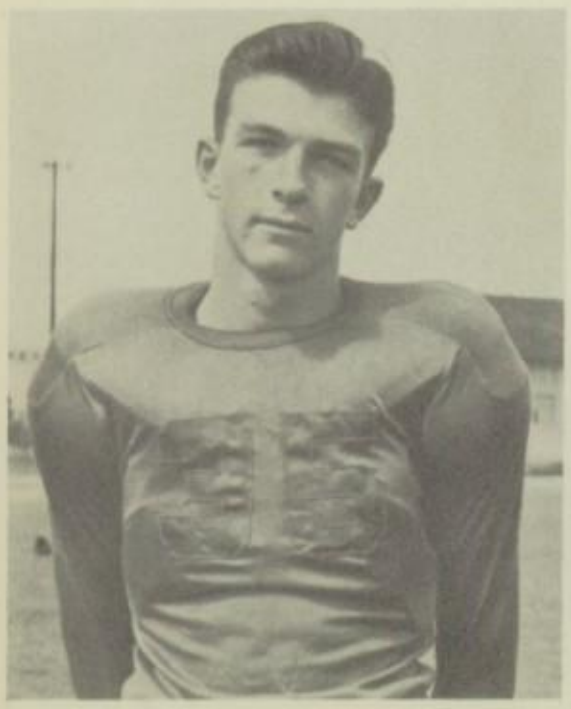
P. R. SYKES
Assistant Coach

When football was discontinued at the College, Coach Sykes became backfield Coach and head Scout for the Bobcats. He did much to put the Bobcats on the top of the heap. Coach Sykes is also serving in the Navy as a P. E. instructor.

1942 BOBCATS

Suffering only 1 tie and two defeats the whole season the 1942 Bobcats won the district Championship and then went on to the quarter-finals in the state race where they were defeated by an Amarillo team that out-weighed them 25 lbs. to the man. The Bobcats slate was clean until they met the Odessa Bronchos and they were defeated 14 to 6. Odessa was declared ineligible, however, and this gave the Bobcats the Championship after they defeated Sweetwater and Abilene.

ALL DISTRICT



JOHN CARGILE

"Jarring Jawn", one of the bulwarks down in the middle of the line. He was a "wheel horse" on offense and he set many a ball carrier back on defenses. He made the second All State team and was Co-Captain for the '42 season.

JOE WILLIAMS

Backing up the line was Joe's specialty. He played all over the field and many times he ripped through the line and set opposing ball carriers back. The watch word for the opponents was "Watch that Center."

WENDELL WINANS

"Then Senator", a fast stepping little guard was the headache of all the teams played this year. On the snap of the ball Wendell was gone like a flash and he smeared plays before they could get started.

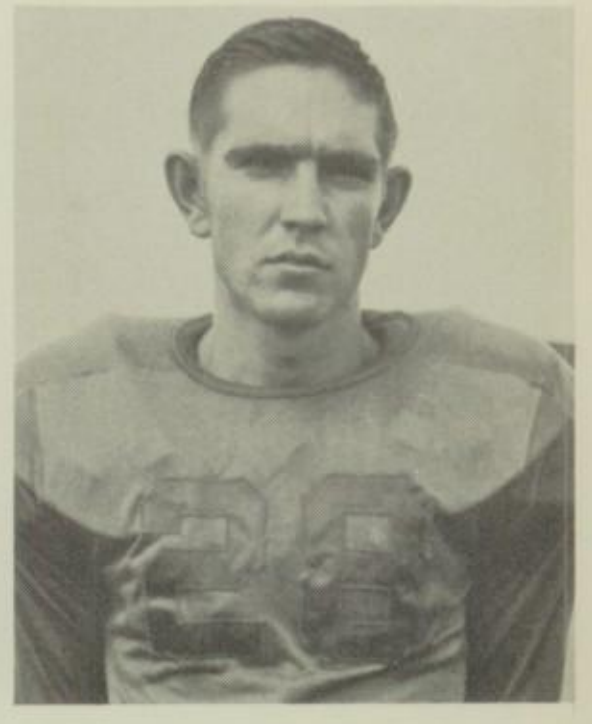
BOBCAT LETTERMEN

ORON LEE SCHUCH

The "Pee Wee Kid" will long be remembered for his thrilling run in the Sweetwater game. Schuch was like a will of the wisp and once in an open field was hard to stop. He was also Co-Captain.

MILTON RATHBONE

"Rathole" was the passer and speed merchant on the team. His passes went like bullets to their mark and in the open he was hard to catch. Milton made the second All-District team.

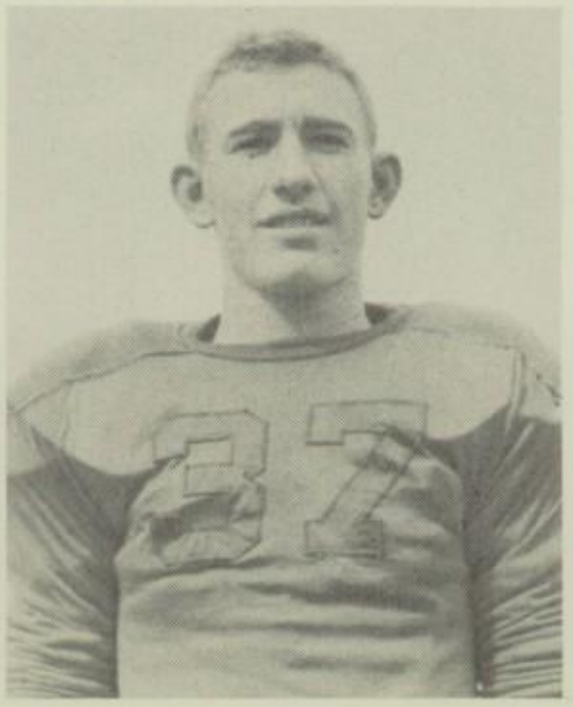


MILFORD TAFF

Taff, a big, fast man, was the utility man in the backfield. He could hit the line, run interference, pass, or sweep the end. Taff also made the second All-District team.

BILL JONES

Bill played wingback on the team. He was the boy who always made those sensational pass catches. Bill also ran with the ball some. His pass catching made him a selection on the second All-District team.



GEORGE GRAHAM

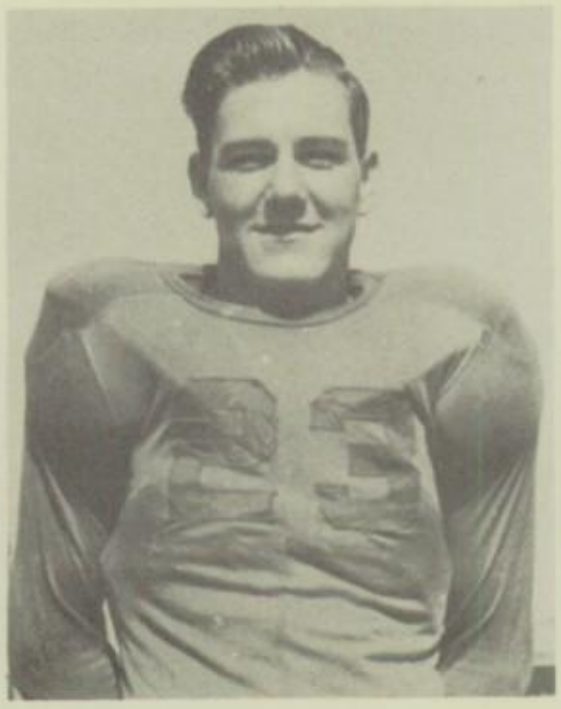
"Jeep" was the "big" fullback on the team. He would back up and hit the line like a "ton of bricks". Whenever an extra yard or two was needed, Graham was called into service.

MAX BOX

Box was the reserve blocking back and signal caller. Box wasn't very big but what he lacked in size was made up by his hustle and determination.

GEORGE HUGHES

"Nubbin" was the guard that was always in the thick of every play. Because of his desire to get in the play, he was often penalized for off-side, but he made that up by setting the opponent back.

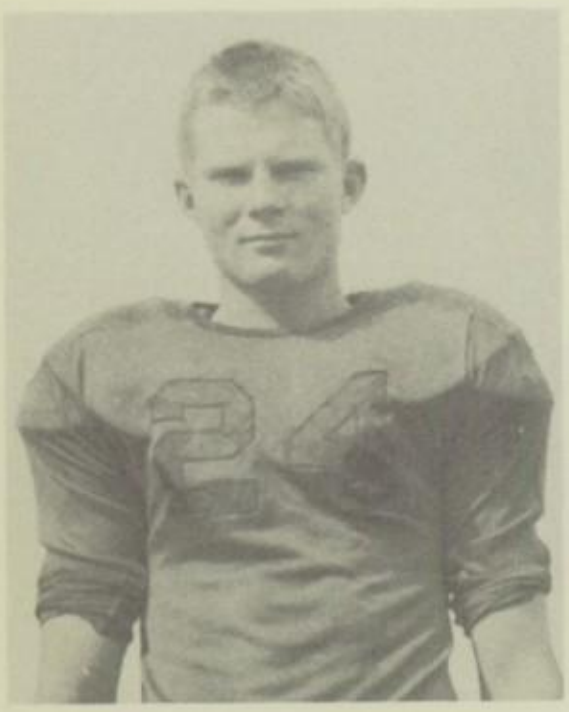


PAUL MADDOX

Maddox was a reserve guard and back field man. He surprised everybody by his long runs in the Ballinger game. Paul also was a rough and ready lineman.

FREDDIE WILLS

Smearing the opposing passer was the "Lieutenant's" pastime. He would sift through the opponents' line like sand and throw the passer for a big loss.

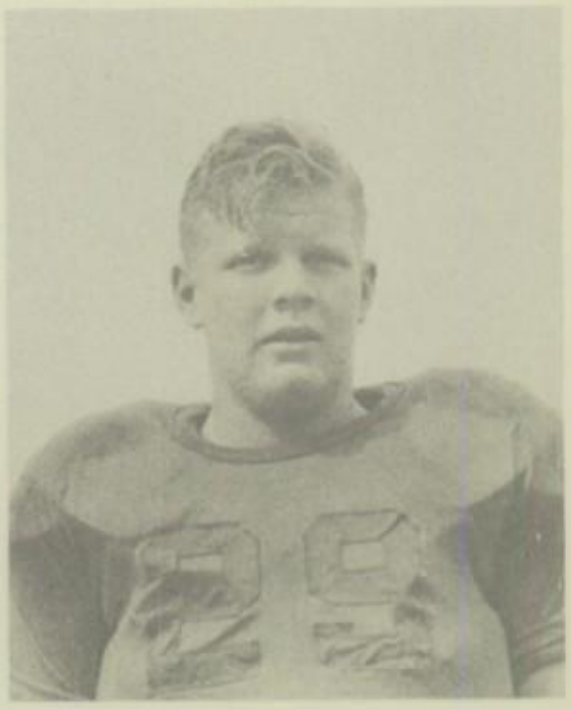


SAM CALLAN

Callan was a valuable asset to the team as an alternate to Joe Williams at the Center position. He greatly developed as the season progressed.

DOYLE MILLER

Miller played either guard or center and sometimes tackle. Because of this, he saw plenty of action and was smearing plays all up and down the line.



BOBBY BROYLES

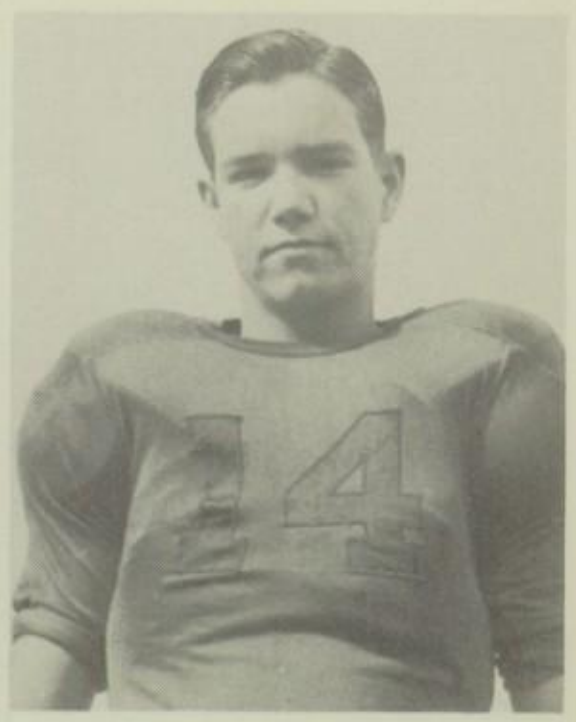
"Tubby" was the heaviest man on the team. He served as an alternate tackle and the only thing the opposing team could do was go around him.

THOMAS BROYLES

Tom was quicker on his feet than his heavier brother and consequently was able to sift through the line and stack up all of the interference and then make the tackle.

J. C. GOTCHER

"Goat" was a tall lad and was an able pass receiver. He would simply reach over everybody else's head and tuck the ball away. He was also a power on offense.



VERNIE DEAN HORNER

Horner was an alternate end. He was a good man on defense and he was very seldom blocked out of a play. He also specialized in making good pass catches.

CHARLES RAINEY

Rainey played all over the right side of the line. He would make a tackle over center and then stop an end run. Rainey also specialized in blocking kicks.

CHARLIE SMITH

"Smitty", like his brother, was dynamite in a little package. His several injuries during this season proved his nerve and stability.

MANAGERS

Steve Helbing and Bobby Hemphill worked their fingers to the bone keeping "those ornery football boys" satisfied. They always seemed to be at the right place at the right time.

SPRING

The 1943 Bobcats opened their spring training April 7 under the guidance of Jewel Wallace, recently hired as head coach. With 12 lettermen left from last year's great team, the '43 edition of the 'Cats promises to be one of the greatest teams in the annuals of San Angelo High School.

BASKETBALL

The Basketball Team was lead during the season by Clayton Hopkins, the coach, and Kenneth Carley, captain. Although there were no district games this year, except in the District Meet, the Bobcats were kept very busy. They made a very good showing in the Army-Civilian Basketball League, which was made up of teams from the Army posts here and different independent city teams. In the district tournament the Bobcats were beaten one point by the Big Sorings Steers, who went on to win the district. For a team which had only one letterman, the Bobcats did exceptionally well and are worthy of all the praise they have received.

TENNIS

In the Invitation Meet and also in the Sub-Regional Meet, the boy's tennis team, directed for the first time by Coach Wooley, won first in singles and second in the doubles. Bernard Bartzen, State doubles Champ for 1942, will be eligible next year. Felix Probanbt and Leonard Taylor, who compose the doubles team, will probably be eligible.

In the Invitation Meet, the girls' team lost their doubles match. However, in the Sub-Regional Meet, the girls won doubles which was the first time that the San Angelo girls had won the District Meet. The girls were entered in the meet by Miss Eva Claire Bivens who is also coaching the San Angelo girls for the first time. The girls' doubles are Marie Snodgrass and Joy Livingston with Esther Dykes and Dorothy Buttery serving as alternates.
